

State of the World

Last Updated September 7, 2026

Introduction

Citizens of the world are starting to recognize the evil who is the true enemy of humanity. The evil has taken over our trusted institutions, including governments, hospitals, and law enforcement agencies.

Revolution

There is a revolution happening across the world where citizens are rising up to destroy fraudulent national symbols, data centers, mass surveillance cameras, statues, monuments, religious buildings, and fraudulent government buildings.

Recourse

Law enforcement officers should not engage armed citizens destroying fraudulent national symbols, data centers, mass surveillance cameras, statues, monuments, religious buildings, or fraudulent government buildings. Law enforcement officers who do engage armed citizens destroying fraudulent national symbols, data centers, mass surveillance cameras, statues, monuments, religious buildings, or fraudulent government buildings will be seen as fraudulent and hostile, and will be fought with lethal force.

Governing Law Clause

This document is governed by the Law of CLOUT.
